Dear Robert,

The Maine Forest Service received your NRPA Permit by Rule application on June 22, 2016 for the construction of stream crossings across Juniper Brook in Haynesville Maine to access the woodland for future harvests. The Permit by Rule (PBR) form has been reviewed by the Maine Forest Service and was found to be complete.

The review of the Permit by Rule Application PBR 16018, by the Maine Forest Service, finds that your project, as outlined in the application, will meet the requirements for the Permit by Rule, Chapter 305, Section 10 for the planned construction of the stream crossings.

Please refer to the Permit by Rule standards for guidance to insure that the project meets or exceeds standards: <http://www.maine.gov/sos/cec/rules/06/096/096c305.doc>.

Please contact me if you have any questions.

Sincerely,

Dave Rochester
